TOMORROW'S RODEO CHAMPIONS

A non-profit youth rodeo
association.

Summer Rodeos

TRC holds 10 weekly summer rodeos, beginning in June and ending in August. Rodeos are held at Miller's Horse Palace located at the east Laurel exit. Contestants come from Yellowstone and the surrounding counties to compete. TRC contestants range from 2-18 years of age. There is no admission fee charged to spectators at any of these rodeos.

Events Include:

- Barrel Racing
- Flag Racing
- Pole Bending
- Breakaway Roping
- Goat Tying
- Team Roping
- Dummy Roping

Operated by Volunteers

TRC is operated completely by volunteers. The officers and directors volunteer for two year periods. Parents, friends and relatives of our participants act as event directors, timers and announcers at each of our rodeos. They operate our concessions at each rodeo and clean up the Horse Palace after each rodeo. Other volunteers serve on committees that recruit sponsorships, purchase awards, and plan the annual awards banquet.

Affordable for All Levels

TRC contestants pay a nominal fee to enter all-around events or ribbon events, based on their experience and confidence level.

Contestants may enter ribbon events if they are young or just beginning riders. Children in these events may be led by parents and they will receive a ribbon for every event they enter.

Contestants may enter all-around events when they are ready for more of a challenge. Contestants who place in an all around event receive a cash payout.

Sponsors are Crucial

TRC is a non-profit organization that utilizes all funds raised to put on our weekly rodeos and purchase prizes for our contestants. At the end of each season we hold an awards banquet at which each and every contestant is given an award. Awards range from horse care supplies to buckles and saddles. These awards and our weekly rodeos are made possible through donations from our community.

TRC is a 501 (c)(3) entity. Our taxpayer ID is 81-0534092. All sponsorship payments to TRC are fully deductible as charitable contributions.
