Memberships being down accounts for most of this aside from the raffle ticket sales  
Concern was raised that Columbus is no longer hosting their youth rodeo but people from that area thought we were not very welcoming in previous years. Board and organization has changed we need to get word out and hope they'll try again. Maybe board should wear name tags so people know who to come to with questions.

Bridger school will print a flyer and send home with every student. Joliet may do this as well, Gwynn will check. Leah will check with Shepherd school as well. Businesses will allow posters also.  
Kirstin will make a flyer to distribute.

### **Old Business:**

#### **New Business:**

Rodeo Schedule – 4<sup>th</sup> of July week we miss several kids due to traveling. 4<sup>th</sup> is on a Thursday this year. We could start on May 30<sup>th</sup> and run thru Aug. 8<sup>th</sup>, skipping July 4<sup>th</sup>. Sandy will talk to Miller's HP to get the contract.

Julie to update the website with new officer's information

Jason LaTray isn't doing the Open Championship Youth rodeo this year

Flagger inside – might be an option to eliminate this volunteer position and rely on the timer

Goat Tying in the other arena – kids should run in the same order as print out. Post a copy of the running order outside the office. We will need tacks in the supply case

Sponsor Thank You's need to be sent. Include a picture and updated form. Julie to email group picture to Carolyn.

Might want to consider fundraisers in the future. Calcutta event at a PRCA rodeo might be an option.

Leah to call travel agent to discuss NFR tickets for our raffle.

Numbers seem to be down a little but be we are still in good shape as far as the club goes.

2019 season we will allow a first time contestant to enter free of charge to try it out and see if they want to continue.

Have a parent's meeting at the first and mid-way point to remind/refresh.

Next meeting Feb. 7th @ 6:30 pm.

**Dan motion adjourn, Leah second. Motion carried. Meeting Adjourned: 7:47 pm**
